

2020 Annual Impact Report

Bringing Balance to Life

Celebrating our 1st year in operation

Bringing Balance to Life

Dear Friends of 4THE22,

This was our first year in operation. Our paperwork got approved, and our books began in March. Willis law made that possible by volunteering to file our paperwork pro bono and our only expense associated with incorporating and applying for 501C3 status was a 1023 application fee.

Through this difficult year, we were able to present two boards through the Board For Our Heroes program, get multiple people on the water, provide entertainment through online concerts, hold a benefit concert that raised nearly \$700.00 for a family who lost a father & husband, and facilitate an online challenge that brought people around the country together in an effort to help our veterans and first responders—this is how we measure our impact. In fiscal year 2020, you provided our veterans and first responders with more than just a board or some time on the water, you gave them endless possibilities.

We are humbled and grateful for donors and supporters like you who propel our organization further. During this fiscal year, we received nearly \$4,500 in donations from individual donors like yourself. While we celebrate our achievements, we are mindful of the challenges and work we have yet to do.

We would like to thank you for your active support in continuing our mission of *bringing balance to life*.
